Useful Information

Climate

The climate is fairly warm tropical climates. Annual average temperature is about 20°C (68°F) and ranges from 16°C (50°F) to 25°C (77°F). Humidity levels are high and average values vary between 73% and 90%. Annual rainfall is 1.778mm, mostly during summer. In April humidity increases and days are warm in Macau. A cardigan or sweater will be useful in April.

Language

Chinese and Portuguese are the official languages, Cantonese being most widely spoken. The official languages are used in government departments in all official documents and communications. English is generally used in trade, tourism and commerce.

Currency

The Pataca (MOP\$) is divided into 100 avos and it is Macau's official currency.

Pataca is linked to the Hong Kong dollar (HK\$). The exchange rate is MOP\$103.20 = HK\$100.00. There is an acceptable variation up to 10%. Roughly 8 Patacas is equivalent to 1 US Dollar.

Electricity

For the most part, there are two types of electrical sockets (outlets) used in the Macau Special Administrative Region: the "Type G " British BS-1363 and the "Type D" Indian (old British BS-546 5 amp "small") sockets.
